You with the sad eyes  
Don't be discouraged  
Though I realize  
It's hard to take courage

In a world full of people  
You can lose sight of it  
And the darkness inside you  
Makes you feel so small

But I see your true colors  
Shining through  
I see your true colors  
And that's why I love you

So, don't be afraid to let them show  
Just show your true colors  
True colors  
Ooh, are beautiful like a rainbow

Show me a smile  
Don't be unhappy, can't remember  
When I last saw you laughing

If this world makes you crazy  
And you've taken all you can bear  
Just call me up  
'Cause you know I'll be there

And see your true colors  
Shining through  
I see your true colors  
That's why I love you

So, don't be afraid to let them show  
Your true colors  
True colors are beautiful  
Oh, like a rainbow

Show me a smile  
(Show me a smile)  
Don't be unhappy, can't remember

When I last saw you laughing

If this world makes you crazy  
And you've taken all you can bear  
Just call me up  
Because you know I'll be there

Such sad eyes  
Take courage now  
Realize

When this world makes you crazy  
And you've taken all you can bear  
Just call me up  
Because you know I'll be there

And see your true colors  
Shining through  
I see your true colors  
That's why I love you

So, don't be afraid to let them show  
Just show your true colors  
True colors, true colors

Are shining through?  
I see your true colors  
And that's why I love you

So, don't be afraid, just let them show  
Your true colors, true colors  
True colors are beautiful  
So, beautiful like a rainbow

Yeah, yeah, yeah, yeah  
(Yeah, yeah, yeah, yeah)

Show me your colors  
(Show me your colors)  
Show me your rainbow  
(Beautiful)  
Like a rainbow  
(Show me your colors)

Colors, colors  
(True colors shine)  
Show me your rainbow, so beautiful  
That's why I love you

Show me your colors  
(True colors shinin' through)

Show me your rainbow, beautiful  
Ooh, ooh show me your colors, colors, colors

True colors
