Well, there was no reason to believe she'd always be there

But if you don't put faith in what you believe in

It's getting you nowhere

'Cos it hurts, you never let go

Don't look down, just look up

'Cos she's always there to behind you, just to remind you

Two hearts, believing in just one mind

You know we're two hearts believing in just one mind

Well, there's no easy way to, to understand it

There's so much of my life in her and it's like I'm blinded

And it teaches you to never let go

There's so much love you'll never know

She can reach you no matter how far

Wherever you are

Two hearts, believing in just one mind

Beating together till the end of time

You know we're two hearts believing in just one mind

Together forever till the end of time

She knows

There'll always be a special place in my heart for her

She knows, she knows, she knows

Yeah, she knows

No matter how far apart we are

She knows, I'm always right there beside her

And we're two hearts, believing in just one mind

Beating together till the end of time

You know we're two hearts believing in just one mind

Together forever till the end of time

You know we're two hearts believing in just one mind

Beating together till the end of time

We're two hearts believing in just one mind

Together forever till the end of time
