Some day, when I'm awfully low
And the world is cold
I will feel a glow just thinking of you
And the way you look tonight

But you're lovely, with your smile so warm
And your cheek so soft
There is nothing for me but to love you
Just the way you look tonight

With each word your tenderness grows
Tearing my soul apart
And that laugh that wrinkles your nose
Touches my foolish heart

But you're lovely, never, never change
Keep that breathless charm
Won't you please arrange it?
'Cause I love you, just the way you look tonight

But you're lovely, never, never change
Keep that breathless charm
Won't you please arrange it?
'Cause I love you, just the way you look
Just the way you look, just the way you look tonight
