I know she says she wants me
I hear it every day
And I know she know it keeps me
Well there ain't no other way

But she's got a heart
Must be made of stone
'Cos when I tell her that
She'll miss me when I'm gone

She says
"Who said I would?"

She knows it ain't easy
For a simple boy like me
She fills me full of loving
Oh, then she sets me free

But she's got a heart
Must be made of stone
'Cos when I tell her that
She'll miss me when I'm gone

She says
"Who said I would"?
Tell me, "Who said I would?
Who said I would?
(Who said I would?)
Who said I would?"

I'm not the only one but I do fine
I suit her purpose and I'm just her kind
I don't own her and I never could
Don't think I do, don't think I should

Tell me
"Who said I would?"
(Who said I would?)
Who said I would?

But she's got a heart
Must be made of stone

And when I tell her that
She'll miss me when I'm gone

She says
"You're not the only one, but you do fine
You suit my purpose and you're just my kind
You don't own me and you never could
Don't think you do, don't think you should"

Who said I would?
(Who said I would?)

Now she knows when she calls me
I'll come runnin' every time
And she knows she gets me hot
But she don't know it's her body never mine

And she's got a heart
Must be made of stone
'Cos when I tell her that
She'll miss me when I'm gone

She says
"Who said I would?"
Tell me, "Who said I would?"
Who said I would?
Who said I would?"

Who said I would?
Who said I would?
(Who said I would?)
(Who said I would?)
