I've been trying hard to forget  
That you've been cheating  
Wishin' you I'de never met  
Cause you've been cheatin'

Can't you know lies can be seen in your eyes  
And from wrong you'll never be free  
While you sit cryin', you've been lyin'  
You've been cheatin', cheatin' on me

Oh Yeah

Yeah, you made me suspect and I know  
You don't want me  
Cookies crumble, and that's how it goes  
You don't want me

Can't you know lies can be seen in your eyes  
And from wrong you'll never be free  
While you sit cryin', you've been lyin'  
You've been cheatin', cheatin' on me

Oh yeah

Another lover you discover  
Our love's gone and I don't know why  
It's just as well, though at last I do know  
All you said was just a lie

So I'm trying hard to forget  
That you've been cheatin'  
And wishin' you I'de never met  
Cause you've been cheating

Can't you know lies can be seen in your eyes  
And from wrong you'll never be free  
While you sit cryin', you've been lyin'  
You've been cheatin', cheatin' on me

ooh, ooh baby (you've been cheating)  
You been cheatin' (you've been cheating)

You been cheatin' on me (you've been cheating)
