Yeah, I can suddenly
Flower and sting
To pick a fight
I've let myself in
I whistle a funny note
Cut another throat
Hum a tune
Crack a skull - crack a joke

It's my lie
It's my legend
It's my cure
It's my medicine
It's my run
It's my promise
It's my light
It's my justice
It's my chainsaw
Division is mine
You'll see my chainsaw coming
I'm drawing the line
It's my chainsaw
Come see how it shines
I'm gonna cut out a living
I'm gonna cut out your kind

Oh, forgive me
A moment of pride
A trap by a demon
I'm not that type
My tears will change it
Don't even mention it
I'll glue it back together
See everything fits!

It's my tree
It's my prison
It's my lip
It's my reason
My candle
And my rain
Resurrection

It's my pain
