In my traveling heart, there's an urge to see
Foreign lands, alien birds and new stories that no one
heard
To stick a pin in the globe and to believe and hope
There's a whole new world to unravel as far as a
boyscout can travel

Company of adventurers on the secret track
Caesars of the wilderness around the world and back
Card carrying members
Oh, we're the Lords of the Atlas

To see God standing on a local hill
And to know there's forests untrod still
Don't look back when you climb the stairs
I'm traveling on mental fares

Going through the eternal cloud land
To the ends of the world
And after 2000 steps of climbing
I know it was the whole trip worth

Company of adventurers on the secret track
Caesars of the wilderness around the world and back
Card carrying members
Oh, we're the Lords of the Atlas

Company of adventurers on the secret track
Caesars of the wilderness around the world and back
Card carrying members
Oh, we're the Lords of the Atlas

We're the Lords, yeah, we're the Lords of the Atlas
Yeah, we're the Lords of the Atlas

Sitting cross legged on Persian rugs
Addicted to a 1000 drugs
Our flags nailed to a mast
Captain says, ?Forward fast?

Company of adventurers on the secret track
Caesars of the wilderness around the world and back

Card carrying members
Oh, we're the Lords of the Atlas

Company of adventurers on the secret track
Caesars of the wilderness around the world and back
Card carrying members
Oh, we're the Lords of the Atlas

(We're the Lords, Lords of the Atlas)
Caesars of the wilderness
Card carrying members
We're the Lords of the Atlas

(We're the Lords)
Yeah, we're the Lords of the Atlas
(We're the Lords)
