I'm your cigarette man  
I'm doing the best I can  
I'm your cigarette man  
I'm doing the best I can  
You might find me on your TV-screen  
Or on the cover of a magazine  
But I'll be sitting on a horse  
With a smoke of course

'Cos I'm the Marlboroman  
- I'm the Marlboroman  
'Cos I'm the Marlboroman  
- I'm the Marlboroman

I just stand here in the shade  
I'm american made  
'Cos I'm tough and I'm mean  
I'm the american dream  
Do as I: Inhale, don't blow it!  
You'll get the feeling & you know it...  
When the smoke gets to your brain...  
It makes you quite insane...

'Cos I'm the Marlboroman  
- I'm the Marlboroman  
'Cos I'm the Marlboroman  
- I'm the Marlboroman
