I was out in the wild  
Trying to catch some supper  
And bring it home to sweet mama..  
But when the pony headed back  
To our home valley..  
I knew I'd been gone too long:

- And I crossed the Rock River the day before she died

I reached home just after dark..  
Looking for mama  
But she was nowhere on our land...  
So I kicked the frontdoor open  
Saw the rope above her  
And the shadow of the dirty gunman...

- And I crossed the Rock River the day before she died

I chased him through Arkansas  
From Texas to Missouri...  
He took me up north  
From Saint Antoine To Saint Louis  
He was haunted  
But I had the time  
I wanted him back  
To the scene of the crime

- And he crossed the Rock River the day before he died...

Well, we reached Rock River  
And we reached the other side...  
He looked back  
Kinda afraid for his life  
I pulled my trigger  
And I hit him  
Right between the eyes  
And then I roped him up to mama  
To the roaches & the flies...

Rock River Rock River  
Rock River Rock River
