Well, son tomorrow it's christmas
Yeah, daddy it's such a thrill
I'll suppose we'll be watching TV
Yeah, and have a burger meal
'Cause mommy she left us
She took the keys to the automobile
She took the creditcards and the furs
And now we can't afford a tree

I said sonny, It's a sad sad christmas
Oh boy, It's a sad sad christmas
Oh no, 'cause daddy, I love you anyway
And I don't care if she has gone away
And I love you twice as much on christmas day
Yeah, daddy, I love you any way

Well, now we can't afford to celebrate the lord
Daddy, what a lord? He made mother take the Ford
But who's gonna give you your goodnight kiss
And who's gonna clean up after this
Daddy, don't be blue
You know that I love you

Yeah but sonny, It's a sad sad christmas
I tell you boy, It's a sad sad christmas
Oh no, 'cause daddy, I love you anyway
And I don't care if she has gone away
And I love you twice as much on christmas day
Yeah, daddy, I love you any way

Hold my hand son

And daddy, I love you any way
And I'm glad that you're here with me on christmas day

Thank you boy

And I don't care if she has gone away

Yeah, lets stick together

'Cause daddy, I love you twice as much today

Oh, you're a swell boy

And daddy, I love you any way
