I'm going to change my luck tonight
Don't want to cry anymore
Not going to take what fortune brings
I'm going to make my own law
Goodbye bad times
Goodbye ever more
Goodbye bad times
I'm going to walk out your door
I think I'm happy now
And I think I'm in love
I'm free at last somehow
I'm going to stay here above
Goodbye bad times
Goodbye ever more
Goodbye bad times
I'm going to walk out your door
And now the sun is shining down
The way that I foresaw

And if I have to face the clouds
I'll beat them like before
Goodbye bad times
Goodbye ever more
Goodbye bad times
I'm going to walk out your door
And now the sun is shining down
The way that I foresaw
And if I have to face the clouds
I'll beat them like before
Goodbye bad times
Goodbye ever more
Goodbye bad times
I'm going to walk out your door
Goodbye bad times
Goodbye ever more
Goodbye bad times
I'm going to walk
