I like to dream, yes, right between the sound machine
On a cloud of sight I drift in the night
Any place it goes is right
Goes far, flies near, to the stars away from here

Come on

Well, you don't know what we could find
Why don't you come with me little girl
On a magic carpet ride

Well, you don't know what we could see
Why don't you tell your dreams to me
Fantasy will set you free

1, 2, 3, 4

Last night I held Aladdin's lamp and so I wished that I
could stay
[Incomprehensible] could answer me
Well, someone came and took the lamp away
Little girl, I looked around, a lousy candle was all I
found

Well, well, well
1, 2, 3, hey

Well, you don't know what we could find
Why don't you come with me little girl
On a magic carpet ride

Well, you don't know what we could see
Why don't you tell your dreams to me
Fantasy will set you free

Close your eyes, girl, look inside
Girl, let the sound take you
Girl, let the sound take you
Girl, let the sound take you away

1, 2, 3
Come on

Well, you don't know what we could find
Why don't you come with me little girl
On a magic carpet ride

Well, you don't know what we could find
Why don't you come with me little girl
On a magic carpet ride
