I was hangin' off a balcony over the strip  
Checkin' out the freaks below  
It was a very good night to get a grip  
Or fall into my own creep show

Danglin' like some drool from a mad dog's mouth  
Dyin' for some sympathy  
I heard a sweet young voice callin' up my way  
And this is what she said to me

Well, it's alright, it's OK  
Don't you know tomorrow's another day?  
Don't look now, here comes the dawn  
Baby, sometimes you gotta just hang on  
Yeah, yeah, just hang on

Well I followed her directions and gave it some time  
An' things began to work out somehow  
'Til one night eatin' Chinese I get a call from Ruiz  
He said "You better come over right now"

A-he was takin' a bath in his best green suit  
Buzzin' like a wet grenade  
He was tryin' to wash away his dirty blues  
With some bubbles and a razor blade

Said-a, it's alright, it's OK  
Don't you know tomorrow's another day?  
Don't look now, here comes the dawn  
Baby, sometimes you gotta just hang on  
Yeah, yeah, just hang on, a-hang on

Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Hey, hey, hey  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah

(solo)

So when you're hangin' off a balcony over the strip  
Wonderin' where it all went wrong  
An' just remember there's a band settin' up on your  
ship  
Waitin' to play your song

'Cause it's alright, it's OK  
Don't you know tomorrow's another day?  
Don't look now, here comes the dawn  
Brother, sometimes you gotta just hang on

It's alright, it's OK  
Don't you know tomorrow's another day?  
Don't look now, here comes the dawn  
Baby, sometimes you gotta just hang on

Yeah, yeah, just hang on  
Come on and just hang on  
A-just hang on

It's alright  
An' it's ok  
It's alright  
It's ok

(more solo)  
Hey, hey, hey, hey, hey, hey

(and more solo)
