I'm going back to high school  
And this time I won't be overcome  
I'm gonna get all A's and ask out girls  
Instead of being dumb

This time I'll save all my money  
I won't fall where I fell  
I'll hang out with the freaks  
And smoke out with the geeks, crawl out of my shell

In my beautiful turnback time machine  
Undo what's been done while you're making the scene  
All your stupid mistakes will fix nice and clean  
Beautiful turnback time machine, beautiful turnback  
time machine

This time I'll go to college become  
The intellectual kind  
Get a Ph.D. in brain surgery  
Blow my parents' minds

I'll buy a house on the ocean  
Take up electric guitar  
Start a band, write a hit song  
Marry a porno star

In my beautiful turnback time machine  
Undo what's been done while you're making the scene  
All your stupid mistakes will fix nice and clean  
Beautiful turnback time machine, beautiful turnback  
time machine  
Beautiful turnback time machine, beautiful turnback  
time machine

Let's go for a ride, come on inside  
Let's go for a ride, just close your eyes

I could save the Kennedy's  
And Lennon, Luther King  
Come to think of it I might change  
Every single thing

In my beautiful turnback time machine  
Undo what's been done while you're making the scene  
All your stupid mistakes will fix nice and clean  
In my beautiful turnback time machine

Undo what's been done while you're making the scene  
All your stupid mistakes will fix nice and clean  
Beautiful turnback time machine, in my beautiful  
turnback time machine  
In my beautiful turnback time machine, in my beautiful  
turnback time
