There's nothing better than a car
A hundred miles per hour in the dark
I close my eyes and take my hands off the wheel
No better way to find out who you are
With the moon on top
And the square aligned
The feeling's right
And it's all mine
Yeah, it's all mine
An' it's all mine
I love to walk the cruel sea
'Cause I know her, she knows me
My head goes under when she pulls me down
I hold my breath and drown in ecstasy
If you look just right
You can see the sign
I got a map to the night
And it's all mine
Yeah, it's all mine
Yeah, it's all mine
Yeah, it's all mine
Yeah, yeah, it's all mine
Shakin' up the super-fine
Yeah, yeah, it's all mine
They say you can't buy love (you can't buy love)
They say you can't try enough (you can't try enough)
They say you can't find what you can't see
Yeah, yeah (yeah, oow)
(solo) (ooh, hoo-hoo-oo-hoo)
I stand in silence in the rain
Let go of all the sadness and the pain
Surrounded by a million and no one around
The dirt below loves me just the same
With the moon on top
And the square aligned
And the feeling's right
And it's all mine
Yeah, it's all mine
Yeah, it's all mine
Yeah, it's all mine
Yeah, yeah, it's all mine
Shakin' up the super-fine

Yeah, yeah, it's all mine
It's all mine (yeah, it's all mine)
Yeah, it's all mine (yeah, yeah, it's all mine)
An' it's all mine (yeah, it's all mine)
Yeah, it's all mine (yeah, yeah, it's all mine)
Yeah, yeah, yeah, yeah, yeah
Come on, alright
Come on, alright
Yeah, come on, al-
Alright, come on
Alright, come on
Alright, come on
Alright, come on
Alright, come on
Alright
