Pop, pop, pop, pop, pop,
Pop, pop, pop, pop, pop,
Pop, pop, pop, pop, pop,
pop, pop,

I'll lick your ice cream.
And you can lick my lollipop
I'll lick your ice cream.
And you can lick my lollipop

It's unbelievable what they say,
you don't hear that everyday
Is it really what you got,
show me that lollipop

I'll lick your ice cream.
And you can lick my lollipop
I'll lick your ice cream.
And you can lick my lollipop..
Pop, pop, pop, pop, pop...

My lollipop, your ice cream,
we can get straight into it
and do it nicely
My lollipop, your ice cream,
we can get straight into it
and do it nicely

It's unbelievable what they say,
you don't hear that everyday
Is it really what you got,
show me that lollipop
It's unbelievable what they say,
you don't hear that everyday
Is it really what you got,
show me that lollipop
Pop, pop, pop, pop, pop...

My lips go round like that,
I'll lick your lollipop
My lips go round like that,
I'll lick your lollipop

Pop, pop, pop, pop, pop...

I'll lick your ice cream.
And you can lick my lollipop
I'll lick your ice cream.
And you can lick my lollipop

(It's unbelievable.)
I wanna go to the candy shop
Yo daddy what you got
move closer baby don't stop
gimme some o' that lollipop
I wanna go to the candy shop
get me some o' that lollipop
take some of that wrapper off
take my time and have a good suck

I'll lick your ice cream.
(Don't stop)
And you can lick my lollipop
(Your lollipop)
I'll lick your ice cream.
(Don't stop)
And you can lick my lollipop
(Your lollipop)

I'll lick your.. you lick my..

I'll lick your.. you lick my..
Ice cream!
