If I'm gonna live with you
Don't ride me, baby
If I'm gonna live with you
Don't ride me, baby

'Cause I'm just people
That's all I am
I'm just people
That's all I am

If you're gonna touch me
Don't hurt me, baby
If you're gonna touch me
Don't hurt me, baby

'Cause I'm just people
It's all I am
I'm just people (aah)
It's all I am

It's all I am, it's all I am (all, it's all I am)
It's all I am, it's all I am (all)
It's all I am, it's all I am (all, it's all I am)
It's all I am, that's all

If we're gonna be together
Don't starve me, baby
If we're gonna be together
Don't starve me, baby

I'm just people
It's all I am
I'm just people
It's all I am

If I'm gonna die here
Let it be in peace, baby
If I'm gonna die here
Let it be in peace, baby

I'm just people
It's all I am

I'm just people
It's all I am

It's all I am, it's all I am (all, it's all I am)
It's all I am, it's all I am (all)
It's all I am, it's all I am (all, it's all I am)
It's all I am, it's all I am (all)
It's all I am, it's all I am (all, it's all I am)
It's all I am, it's all I am (all)
It's all I am, it's all I am (all, it's all I am)
It's all I am, that's all
