You know who you are
So get on your feet now, what you waiting on ?
I cant turn back 'round
What are you waiting, what are you waiting on?

Well all you shy double brothers, get your booty fly girls.
Get up and dance like a lover, lovers making it work
Get down, get down, get down, get it on, show love and give it up.
Well all you sisters and brothers, back to back on the floor
Ah' from the left to the right to the stereo flo
Get down, get down, get down, get it on show love and give it up

The time ends now
This is over taking, what you waiting on ?
Don't spin, get it on
What are you waiting, what are you waiting on ?

Well all you shy double brothers, get your booty fly girls.
Get up and dance like a lover, lovers making it work
Get down, get down, get down, get it on, show love and give it up.
Well all you sisters and brothers, back to back on the floor
Ah' from the left to the right to the stereo flo
Get down, get down, get down, get it on show love and give it up

In stereo all feel the flo, all alone let it go, oh oh
In stereo all feel the flo, all alone let it go, oh oh
In stereo feel the flo, a little low let it go, a little more and get it on
What are you waiting on ?

Well all you shy double brothers, get your booty fly girls.
Get up and dance like a lover, lovers making it work

Get down, get down, get down, get it on, show love
and give it up.
Well all you sisters and brothers, back to back on the
floor
Ah' from the left to the right to the stereo flo
Get down, get down, get down, get it on show love and
give it up.
