Time is your friend
Time is your friend
Time is your pal
Don't you try to fight her
Time is a mustang
That you cannot tame
So don't you try to ride her
Time is a ship
Caught in the wind
It's never always sinking
Time makes your bed
Then sleeps with your head
Sometimes I can't stop thinking that I'm
I'm wasting so much of my life
Waiting for tomorrow
Ride the rocket
Kiss the locket
The sand is running down
Burn the candle
Turn the handle
I am here, I'm now
Time is your blood
Pulsating flood
And everybody bleeds it
Time is a wish
You can throw coins at a fish
But your still gonna have to feed it
I'm wasting so much of my life
Waiting for tomorrow
Ride the rocket
Kiss the locket
The sand is running down
Burn the candle
Turn the handle
I am here, I'm now
Now, now
Time was my girl
Timeless white pearl
But she left me on the shoreline
I'll think of her
She's forever
After and before time

I'm wasting so much of my life
Waiting for tomorrow
Ride the rocket
Kiss the locket
The sand is running down
Shoot the arrow
Seek the Pharaoh
I am here, I'm now
Ride the rocket
Kiss the locket
The sand is running down
Burn the candle
Turn the handle
I am here, I'm now
