Look at me I'm ten feet tall  
Jungle-Jim, hope I don't fall  
Gather 'round for my playground  
show  
They call me Time, my real name is  
Timothy  
Your attention please but please not  
your sympathy  
My dad's real cool  
He discovered Mars  
And my mom is a movie star  
The kids at school don't let me play  
anything  
But I don't care because I have  
everything  
Any boy could ever need  
A helicopter that takes me  
anywhere  
A diamond horse, yeah my dad's a  
millionaire  
Don't mind the holes in my knees  
And my mom's a movie star  
Bill Green grabs his lunch from the  
window sill  
I left mine home, how 'bout a bite  
of your sandwich, Bill  
A friend in need is a friend indeed  
The teacher asks oh where are you  
parents Tim  
It's been five months and I've seen  
no sign of them  
My dad's not here  
He flew back to Mars  
and my mom is a movie star  
She's a movie star  
She's a movie star  
My dad's drunk in a bar  
And my mom's crashed the car  
he's a movie star...
