Let me explain what's happening to Steven  
He's lost again and trying to get even  
He doesn't know that we all miss him dearly  
And even so, he's not thinking clearly  
While he's gone, gone, gone, going, gone  
It's such a drag what's happening to Steven  
He's gone again, without ever leaving  
We used to be closer than tomorrow  
Whoa, love lost in time is impossible to borrow  
When it's gone, gone, gone, going, gone  
When it's gone, gone, gone, going, gone  
Going, gone, a smile that made you wonder  
Going, gone, a boy who made the grade  
Going, gone, gone, so gone, going, gone  
(solo)  
Let me explain what's happening to Steven  
He's so far from the truth, I'm starting to believe him  
What does he feel when he goes where he goes?  
Is it some place that's real or somewhere  
That he'll soon know?  
When he's gone, gone, gone, going, gone  
When he's gone, gone, gone, going, gone  
When he's gone, gone, gone, going, gone  
When he's gone, gone, gone, going, gone  
What's happening to Steven  
What's happening to Steven  
What's happening to Steven  
What's happening to Steven, ho  
What's happening to Steven, see  
What's happening to Steven, wha-  
What's happening to Steven  
What's happening to Steven  
What's happening to Steven
