If there's a tear on my face
It's found the right place
If there's a fire in my soul
It's about to burn cold anyday
All the ahes I've sifted thru
Are all that's been left of me and you

And I don't wanna love you anymore
I don't wanna hold you in my heart
I don't want the memories of the way we were
I don't wanna love you anymore

If I could dream without your face
I could close my eyes and be ok
Then I could make it tru then night
But5 it's 3 am and I'm still awake
Runnin in circles down this broken road
Tryin to find my way back home

And I don't wanna love you anymore
I don't wanna hold you in my heart
I don't want the memories of the way we were
I don't wanna love you anymore

And I don't wanna love you anymore
I don't wanna hold you in my heart
I don't want the memories of the way we were
I don't wanna love you anymore
