Here I am I've come to play  
Me and the boys got something to say  
Got a Stratocaster and a Marshall stack  
It's a stone cold fact

It's gonna get loud  
Jimi Hendrix loud  
Walls coming down  
People gonna be jumping in the crowd  
It's gonna get loose  
It's gonna get hot  
If you don't like to rock  
Well you better leave now  
'Cause it's gonna get loud

Will it ain't a party till they call the cops  
It ain't over till the music stops  
No this ain't your momma's kinda show  
Don't stand too close

It's gonna get loud  
Allman Brothers loud  
Walls coming down  
People gonna be jumping in the crowd  
It's gonna get loose  
It's gonna get hot  
If you don't like to rock  
Well you better leave now  
'Cause it's gonna get loud

It's gonna get loud  
Old Bocephus loud  
Walls coming down  
People gonna be jumping in the crowd  
It's gonna get loose  
It's gonna get hot  
If you don't like to rock  
Well you better leave now

Here I am I've come to play  
Me and the boys got something to say  
Got a Stratocaster and a Marshall stack

It's a stone cold fact

It's gonna get loud  
Lynyrd Skynyrd loud  
Walls coming down  
People gonna be jumping in the crowd  
It's gonna get loose  
It's gonna get hot  
If you don't like to rock  
Well you better leave now  
'Cause it's gonna get loud
