The star become as lasers
And all the worlds align
Horizon to horizon
A rainbow begins to rise
Sudden sound like thunder
Come from everywhere
As the angel Michael
Kicks the countdown on the snare
Across the sea of faces
Shouts of praise begin to roll
As we see the silhouette
Of the King of heart and soul
Chorus:
At the concert of the age
The great I Am takes center stage
The generations stand amazed
At the concert of the age
Then a voice like a trumpet
Blows through me like the wind
Gabriel cries,
