I don't need a country!
Homemade dinners on Sundays!
Talk with your little brother or your mother baybe!
WONT! Bring them no flowers.
Sweet talking for hours...
Love needs no disguises just surprises. Baybe!

(CHORUS)

OH there is one thing on my mind
A magical ride...
On a sweet sensation!
LOVE can be so fine when I got the time!
Honey lets not waste it...

Oh you never can reach the stars above,
Till you taken the time to fly.
But the quickest way to the part above
Is by looking it in the eyes i-i-i-i's
Looking it in the eyes.
Oh mmm Yeah!

(CHORUS)

Sing it one more time!
(Chorus)
