I love you more than anything I do,  
I want to be with you,  
in the twinkling of an eye,  
we'll meet you in the sky  
then we'll come home with you,(x2)

whoah ohhh then we'll come home with you (x2)

I love you more than anything I do,  
I want to be with you,  
in the twinkling of an eye,  
we'll meet you in the sky  
then will come home with you,(x2)

I want to look into your eyes and  
see you smile at me  
I want to hear you say well done, well done, well done.  
I love you more than anything I do,  
I want to be with you,  
in the twinkling of an eye,  
we'll meet you in the sky  
then will come home with you,(x2)  
Then we'll come home with.....you
