So your saying that you don't have rhythm  
But listen what you're doing right there  
With that stamp and a book you've got a real nice hook  
Sounds to me like you've got rhythm to spare

I have no idea what your talking about  
I've got as much rhythm as that chair  
What happened to me was a tragedy  
But I don't have to be a millionaire  
Look I got a sweet deal going on here  
I've got all the books that I can read  
With these sweet old ladies and this carpet from the  
eighties  
What more could a librarian need?  
Besides I ain't got rhythm  
No I ain't got rhythm  
I ain't got rhythm  
I ain't got rhythm

Your kidding me right, your, your kidding me  
Don't you see what you were doing right then  
That's a wicked groove you were starting to move  
Mister, you got rhythm times ten

I think perhaps that your not listening  
I find it tedious to repeat  
It's no big crime  
I just can't keep time

I'm just telling you I lost the beat  
I don't need my face on t-shirts  
Or hit a power-chord guitar  
They were screaming my name  
I guess it's a shame  
But I don't need to be a rock star  
Besides I ain't got rhythm  
No I ain't got rhythm  
Said I ain't got rhythm  
I ain't got rhythm  
I ain't got rhythm

Sounds like rhythm to me

No I ain't got rhythm  
Seems like they all agree  
Said I ain't got rhythm  
But your laying down some funky syncopation  
I ain't got rhythm  
But you got that beat  
No I ain't got rhythm  
Look at them, their stomping their feet  
Said I ain't got rhythm

It's time for you to rock a brand new generation  
(Brand new generation)  
Gonna rock a brand new generation  
Because I ain't got rhythm

Ain't got rhythm!  
Ain't got rhythm!  
Ain't got rhythm!  
Ain't got rhythm!

Hey I got rhythm!
