Baljeet: From the mountains of the Himalayas,
To the valleys of Kashmir.
My forefathers and their four fathers
Knew one thing very clear:
That to be a great success in life,
You have to make the grade.
But if I cannot build a prototype,
My dreams will be purÃ©ed!
Phineas, Ferb, Baljeet: PurÃ©ed! PurÃ©ed!

Phineas: I know what we are going to do today!
Ferb and I are on the case!
We'll help you build your prototype,
You won't be a disgrace!

Baljeet: Good! With your mechanical inclinations,
And my scientific expertise,
We are a team that can not be beaten-

Phineas: Wait, something just occurred to me,
Where's Perry?
Where's Perry?
