Come on along with me
So many sights to see
But not a whole lot of time
We're in a hurry
We're bouncin' around the world

I think we all can agree
That was the Baltic Sea
I check my GPS I

I'm pretty sure that
We're bouncin' around the world

We'll bounce across the Great Wall
And past the Taj Mahal
We'll go to Rome and see the Colosseum
The Colosseum
It's a real whirlwind tour
So if you wanna be sure
Don't you blink or you won't see 'em
You won't see 'em

I wish that we could stay and have some fun
But we gotta keep chasin' the sun

With a little compression
And a little recoil
And a big jet engine
We're gonna be
Bouncin' around the world
And baby, that ain't all
We got a big rubber ball
Did I forget to mention
That we're gonna be
Bouncin', bouncin', bouncin', bouncin', bouncin'
Bouncin', bouncin', bouncin', bouncin', bouncin'
Bouncin' around the world

Bouncin' all over the world (Soundtrack Version) (5X)

Bouncin' around the world
