"Brand New Reality"

If there's no hospitality
Just get out of town
You can be light on formality and say
I guess I'll see you around
You've got no obligations
Nothin' holding you down
Find a new situation and say
I guess I'll see you around

You've got no time to waste
On sentimentality
Get out and find yourself
A brand new reality
Get out and find yourself
A brand new reality
A particle duality
A new dimensionality yeah (yeah !)

I guess I'll see you around

Well sometimes it's appropriate
to stop for a snack
If you do then I hope you get back
I guess I'll see you around
Hopping clockwise through dimensions
Is a dangerous thing
But it seems to help a lot if we sing
And we can sing about

A brand new reality
A brand new reality
A brand new reality
I guess I'll see you around
A brand new reality
A brand new reality
(Repeats the word "Brand" 10 times)
I guess I'll see you around
