Perry,
You know you are a boys best friend.
Your more than just a passing trend.
Your like a treat from a candy store.
Oh Perry
We love you more than ice cream cakes.
We love you more than bugs and snakes.
We love you more than all things mentioned from
before.
Oh Perry
Your extraordinary.

Your kinda short and hairy.
The color of a blueberry.
Yes Perry
So come home Perry
Come home perry

Come home

Oh perry
I think its kinda scary.
I can't find you any where-ee.
It fills me with dispary.
Oh Perry
Im alergic to dairy.
Im gunna move to the Prairies.
And change my name to Larry.

She change her name to Larry!
So come home Perry
Come home Perry
Come Home
So come home Perry
Come home Perry
Come home

Come home Perry
Come home
