love was once a crazy dream
now its my new evil scheme
and i'm as happy as can be

it's the age-old story
how an evil boy meets an evil girl
with a love strong enough to rule
the whole wide world
we both maniacally laugh at all the same stuff
i've found my other half, yes
i've got an evil love

when our robot armies march

to the beating of our hearts
and i'm as happy as can be

it's the age-old story
how an evil boy meets an evil girl
with a love strong enough to rule
the whole wide world
we both maniacally laugh at all the same stuff
you can't foil a plan
that's built upon an evil love
evil love
