"Follow the sun"

Well, the engine's running,
Gonna have some fun
And we won't be done
Until we follow the sun
All around the world
And back to our backyard
It's gonna be so great
When we get back to where we started

Some say summer's always fading away
But we don't have to say goodbye today

Gonna follow the sun
Yeah, we'll follow the sun
As long as we had a good time,
We already won
We're gonna follow the sun
Yeah, we'll follow the sun
Gonna make it the longest day
So we'll have more fun

We're gonna follow the sun
Yeah, we'll follow the sun
As long as we have a good time,
We already won
We're gonna follow the sun
Yeah, we'll follow the sun
As long as we had a good time,
We already won
Gonna follow the sun
