Pardon me! I want to try something!
Oh yeah! I have got something to say!
I have been burned by vague lesson plans and a free-
floating curriculum!
I like my rules, baby, etched in stone,
'cause you know I am going to stick to them!
Can I get a syllabus, a little discipline?
Judge me on a scale from A to F!
You wasted all my time learning how to rhyme,
then left me hangin' from a treble clef!

Somebody gimme a grade!
(Somebody gimme a grade, somebody gimme a
grade!)

I need the man keeping me down!
Somebody gimme a grade!
(Somebody gimme a grade, somebody gimme a
grade!)

Is there a red pen in this town?
Somebody gimme a grade!
(Somebody gimme a grade, somebody gimme a
grade!)

I already said it, I need some extra credit today!
(Somebody gimme a grade, somebody gimme a
grade!)

And make it an A!

Yes, that is right!

Oh, I am so upset!
I am stone cold, honor roll,
I won't be told how to vent!
I won't cry or sigh, I'm here to testify,
Up with the establishment!

My parents understand me,
for conformity inside of me which I can help the system
out!
I ain't gonna waste my summer taking beatings from
my drummer,
Put a mic in front of me and I'll shout!

Gimme a grade!
(Somebody gimme a grade, somebody gimme a grade!)

You know I'm gonna wreck the curve!
Somebody gimme a grade!
(Somebody give me a grade, somebody give me a grade!)

The only letter I deserve!
Somebody gimme a grade!
(Somebody gimme a grade, somebody gimme a grade!)

This isn't a request, I demand there be a test today!
(Somebody gimme a grade, somebody gimme a grade!)

Gimme a grade!

Curse you, Perry the - wait, is that the Baljeatles?
