Welcome to Tokyo
Being glad that you are here
We can visit ten delightful
Us welcome to Tokyo

There is a zone of subtropical kind
Right here in Tokyo
Where 55 inches a month
Of rainfall every year

As for a list of exotic amusements
We choice between the summer there
Is here we look at baseball
Like the fact that it does

As some people the fact
That volleyball is done and is enjoyed
When it's hot we spin in water
Like the fact that it goes

Welcome to Tokyo
Being glad that you are here
We can visit ten delightful
Us welcome to Tokyo

Welcome to Tokyo
Being glad that you are here
We can visit ten delightful
Us welcome to Tokyo
