Phineas: Oh yeah!

If you're lookin' for fun, baby, we're a shoo-in
But we're a little young to be doin' what we're doin',
yeah

We can do anything, we can go anywhere
We've got our pockets full of rockets and we're loaded
for bear, oh yeah

Not talkin' 'bout a mundane day of the week
This ain't double dutch, kick the can, hide and seek, or
hopscotch
So get yourself a platypus and a Dean guitar
'Cause if you think this summer's been great so far,
just watch
We'll kick it up a notch

Ferb: Kick it up a notch
Phineas: It's just what we're gonna do
Ferb: Gonna kick it up a notch
Phineas: Take it up a level or two (Kick it up a notch)
Ferb: Kick it up a notch
Phineas: Yeah, I know where we're gonna go
'Cause everybody knows summer rocks
But now we're ready to roll

Summertime and the sky is blue
We can do anything we set our minds to

We've got heads full of dreams and sneakers full of
feet
The world is our oyster and life is tastin' sweet

We're takin' off like we're in a supersonic jet
But if you think we've gone about as high as we can
get, just watch
We're gonna kick it up a notch

Ferb: Kick it up a notch
Phineas: Oh, man, you know it's true (Kick it up a notch)

Ferb: Kick it up a notch

Phineas: We're gonna push on through (Kick it up a notch)

Ferb: Kick it up a notch

Phineas: We're not content to go with the flow (Kick it up a notch)

'Cause everybody knows summer rocks

But now we're ready to roll

All right, Slash, let's roll!
