Without your schemes my life it seems is empty,  
I spent all my time keeping you from doing wrong  
You were my only nemesis  
I'd foil your plans, but still I miss  
The moments when we didn't get along.  
I fell for you the moment that you pushed me,  
You captured me and held me for so long  
But now you're doing battle with a panda from seattle  
I miss the moments when we didn't get along.  
So search your heart dear Doctor D  
And I am sure that you will see  
That you were always meant to be  
My only lifelong enemy  
You gave my life heroic cause,  
Back whe my only mission was  
The moments when we didn't get along.  
But now your doing battle with a panda from Seattle  
I miss the moments when we didn't get along.  
Oohhhh oh oohh...
