It's gonna be a mechanized melee
A bit of a big bot brawl
When we get through you're gonna know it's true
The more metallic they are the harder they fall
And don't mess with me 'cause I'm a whole lot of
trouble
when I'm backed up against the wall

We're gonna kick some robot chassis
So you better tell your robot nation
To say a robot prayer, 'cause you better prepare
For an automaton annihilation

You think you're gonna take us down
Well, mechanical man you just try it
You gonna ride that rail out of town

This is a Robot Riot! (Robot Riot)

I think you know what I mean (Robot Riot)
This is a Robot Riot (Robot Riot)
I'm gonna break you down
And sell you for scrap metal (Robot Riot)
But I'll keep enough to build myself a trampoline
'Cause your momma was a blender
and your dad was just a washing machine

This is a Robot Riot!

I'm gonna rip you up, I'm gonna break you down
I'm gonna take you to a chop shop down town
You know that you'll be dreadin' this android
Armageddon
I think you better check your
fluids 'cause I know you're sweatin'
You know you're gonna lose and sing the robot blues
You'll blow a fuse and take a robot snooze
I will deactivate ya, because I kinda hate ya
Don't wanna beat around the bushes, gonna decimate
ya

This is a Robot Riot! (Robot Riot)
Oh man it's on! (Robot Riot)
This is a robot riot (Robot Riot)
I'm gonna rip you up
and put you back together (Robot Riot)
In a new configuration just to mow my lawn
'Cause your sister is a fridge,
and you know her light is always on

This is a Robot Riot!

Robot Riot Robot Riot (Look Out!)
Robot Riot Robot Riot

This is a Robot Riot! (Robot Riot)

You better listen up
I got some breaking news (Robot Riot)
I'm gonna melt you down and pour you on some baby
shoes (Robot Riot)
I'm really on a mission
I call it demolition (Robot Riot)
And when I'm through you're gonna need more than a
new
transmission (This is a Robot Riot)
No matter how you strive
You're gonna take a dive (Robot Riot)
I'm gonna mess you up and devastate your hard drive
(Robot Riot)
I'm gonna shut you down, I'm teaching you a lesson
Rip out your CPU and show it to you still processing

This is a Robot Riot!

I'm gonna rip you up, I'm gonna break you down (Robot
Riot)
I'm gonna take you to a chop shop down town (Robot
Riot)
You know that you'll be dreadin' this android
Armageddon (Robot Riot)
I think you better check your
fluids 'cause I know you're sweatin' (This is a Robot
Riot)
You know you're gonna lose and sing the robot blues
(Robot Riot)
You'll blow a fuse and take a robot snooze (Robot Riot)
I will deactivate ya, because I kinda hate ya (Robot Riot)
Don't wanna beat around the bushes, gonna decimate
ya

This is a Robot Riot!

I'm gonna rip you up I'm gonna break you down (Robot
Riot)

Gonna take you to the chop shop down town

This is a Robot Riot!

I'm gonna rip you up gonna break you down (Robot
Riot)

Gonna take you to the chop shop down town

This is a Robot Riot!

Gonna rip you up gonna break you down (Robot Riot)

Gonna take you to the chop shop down town

This is a Robot Riot!

Gonna rip you up gonna break you down (Robot Riot)

Gonna take you to the chop shop down town

This is a Robot Riot!

All right!
