Oh yeah! I have got something to say!

I have been burned by vague lesson plans and a free-floating curriculum!

I like my rules, baby, etched in stone, 'cause you know I am going to stick to them!

Can I get a syllabus a little discipline? Judge me on a scale from A to F!

You wasted all my time learning how to rhyme, now left me hangin from a treble clef!

Somebody give me a grade!

(Somebody give me a grade, somebody give me a grade!)

I need the man keeping me down!

Somebody give me a grade!

(Somebody give me a grade, somebody give me a grade!)

Is there a red pen in this town?

Somebody give me a grade!

(Somebody give me a grade, somebody give me a grade!)

I already said it, I need that extra credit today!

(Somebody give me a grade, somebody give me a grade!)

And make it an A!

Oh, I am so upset!

I am stone cold honor role!

I won't be told how to vent!

I won't cry or sigh, I'm here to testify,

Up with the establishment!

My parents understand me, for conformity inside of me with which I can help the system out!

I ain't gonna waste my summer taking beatings from my drummer,

Put a mic in front of me and I'll shout!

Give me a grade!

(Somebody give me a grade, somebody give me a grade!)

You know I'm gonna rock the curve!

Somebody give me a grade!  
(Somebody give me a grade, somebody give me a grade!)  
The only letter I deserve!  
Somebody give me a grade!  
(Somebody give me a grade, somebody give me a grade!)  
This isn't a request, I demand there be a test today!  
(Somebody give me a grade, somebody give me a grade!)  
Give me a grade!
