Phineas

It been a long, long day  
And there were moments when I doubted

Isabella

That we'd ever reach the point  
Where we could laugh and sing about it

Both

Now the sun has set on this,  
Another extraordinary day  
And when it comes around again  
You know I'll say  
Tell me what you wanna do today  
All we need is a place to start  
If we have heart, we'll make it  
'Cause we're not messin' around (we're not messin'  
around)  
Yes we can dream it, do it, build it, make it  
I know we can really take it  
To the limit before the sun goes down

Phineas

As soon as you wake up you gotta make your move

Isabella

Don't miss the beat, just get into the groove

Both

The sun is shinin', there's a lot that you can do (a lot  
that you can do)  
There's a world of possibilities outside your door  
Why settle for a little, you can get much more  
Don't need an invitation, every day is new  
Yes, it's true  
Summer belongs to you (summer belongs to you)  
Summer belongs to you (summer belongs to you)  
Summer belongs to everyone, so have some fun  
There's nothing better to do  
Summer belongs to you

Candace

All right, I'm taking a verse.

Phineas  
Be my guest.

Candace  
I traveled halfway 'round the world  
And almost turned and ran away  
But you helped me get my courage back  
So now I've got to say  
That though I've often thought of you  
As just a nuisance and a bother  
Today I can't imagine  
Having better little brothers  
And you gotta believe in something  
So today I believed in you  
And you came through, we made it  
I've never been so proud (never been so proud)  
I know at first it seemed implausible  
But we accomplished the impossible  
Now there's something that I've got to say out loud  
Time is what you make of it, so take a chance

Phineas  
That's it!

Candace  
Life is full of music so you ought to dance

Phineas  
She's got it!

Candace  
The world's a stage and it is time for your debut (it's  
time for your debut)

Phineas  
By Jove, I think she's got it!

Candace  
Don't waste a minute sitting on that chair

Phineas  
Yeah!

Candace  
The world is callin' to you, just get out there

Phineas  
That's what I'm talking about!

Candace

You can see forever so your dreams are all in view

Phineas

Yes it's true

All

Summer belongs to you (summer belongs to you)

Summer belongs to you (summer belongs to you)

Summer belongs to everyone, so have some fun

There's nothing better to do

Phineas

Summer belongs to you (summer belongs to you)

Summer belongs to you (summer belongs to you)

Summer belongs to boys and girls all around the world

We wouldn't say it if it wasn't true

Summer belongs to you (summer belongs to you)

Ferb

Baby, baby, baby, baby

Both (Phineas & Isabella)

Summer belongs to you (summer belongs to you)

Summer belongs to you (summer belongs to you)

Whatever you want to do, you make the rules

You got the tools to see it through

Summer belongs to you (summer belongs to you)

Summer belongs to you (summer belongs to you)

Just remember that you can do it and when you're  
through it

Will change your point of view

Summer belongs to you!
