Chorus: Summer...

Summer is running through the sprinklers in your t-shirt, shoes and jeans  
Rolling down a grassy hill,  
yeah, that's what summer means to me, it's true  
There's so much more to do

The days are longer  
The nights are shorter  
The sun is shining  
It's noticeably warmer

It's summer, every single moment is worth its weight in gold  
Summer, it's like the world's best story and it's waiting to be told  
It's ice cream cones and cherry soda dripping down your chin  
It's summer, man, where do we begin?

Summer is ponds and pools and garden hoses, tryin' to beat the heat  
Summer, bicycles and roller skates and even just bare feet  
It's also... Surfing tidal waves, creating nanobots  
Or locating Frankenstein's brain  
Finding a dodo bird, painting a continent  
Or driving our sister in...sane  
Oh, wait. Maybe we're going too fast. (Phineas-2 is seen shivering)

Summer, it's crickets and cicadas and a glass of lemonade  
Summer, it's sitting with your brother  
in the backyard under the shade of a big tree  
That's what it means to me

The days are longer  
The nights are shorter  
The sun is shining

It's noticeably warmer

It's summer, every single moment is worth its weight in  
gold

Summer, it's like the world's best story and it's waiting  
to be told

It's ice cream cones and cherry soda dripping down  
your chin

It's summer, man, where do we begin?

It's summer, man, where do we begin?

It's summer, man, where do we begin?

Chorus: Summer...

Phineas: Where do we begin?

Chorus: Summer...
