Oh yeah! (laugh)

Now me and my bro, we're takin' care of things
Went from a pair of jokers to a couple of kings
It goes to show you never know just what a shuffle
brings
Me and my bro, we're takin' care of things

That's right, we're bros, we're brothers, different father
and mother
But don't you diss or slam or slide us, we look after one
another
Cause we're thicker than thieves and we're cooler than
kings
Oh man, you better believe, we're takin' care of things.

I'll tell you up front that I've got your back
And I know that you've got mine
As long as we stick together side by side
Yo, bro, it's gonna turn out fine
Yo, bro, it's gonna turn out fine

Now me and my bro, we're takin' care of things
Went from a pair of jokers to a couple of kings
It goes to show you never know just what a shuffle
brings
Me and my bro, we're takin' care of things
