Verse 1: We're hanging the star above our tree and
don't it look lovely?

The lights and the tinsel sparkling for you. -Chorus: I've
Got the christmas feeling I'll take it everywhere I go
And make this christmas feeling
grooowwwwwwwwwwwwwwwwwww

Verse 2: So warm by the fireplace we glow, all cozy and
happy

Hang all the stockings in a row with you

Chorus: I've got the Christmas feeling I'll take it
everywhere I go, and make this christmas feeling grow
It feels like christmas(christmas) christmas (christmas)
again (guitar solo)

Chorus: I've got the christmas feeling I'll take it
everywhere I go, and make this christmas feeling grow
it feels like christmas(christmas) christmas (christmas)
Come on I know you don't want to miss this
Let's make that christmas feeling grow. OH! Let's make
this christmas feeling grooowwwwwwwww.
