"The Greatest Day"

There's 104 days to summer vacation,
And school comes along just to end it,
So the annual problem with our generation,
Is finding a good way to spend it.

Like maybe...

Building a rocket,
Or finding a mummy,
Or climbing up the eiffel tower.

Discovering something that doesn't exist,
Or giving a monkey a shower,
Surfing tidal wave,
Creating mental Fossing,
Locating Frankinstein's brain.

Finding a dodo bird,
Driving our sister insane.

This is going to be the best day ever,
But tomorrow will 1 million and 6 times better,
There are so many things to do in a single day,
But today's gonna be a great day.
