Or at least a large portion of it. I don't... I don't want to
get too greedy.

Buford: On the seventh day of Christmas

Please, Santa, give to me

Major Monogram: Promotion to colonel

Buford: More nerds to bully

Baljeet: A kiss from a girl

Dr. Doofenshmirtz: You know, this is way too much pressure, being put on the spot for one thing that I want from this mythic all-powerful gift giver who only comes once a year. It's insane!

All: And a jet-powered rocket ski!

Dr. Doofenshmirtz:... inator!
