We wish you a merry Christmas  
We wish you a merry Christmas  
We wish you a merry Christmas  
And a happy new year

Phineas: We wish you the best day ever  
And hope all your Christmas endeavors  
Are super-fun, amazing, and clever  
And that your New Year's rocks, too!

Isabella: Oh, come tell me what'cha doin'  
All my relatives just flew in  
From Mexico and Jerusalem  
For the holidays

Both Christmas trees and menorahs  
It can be confusing for us  
When we break into a chorus  
Of "oiÃ©" (iOIÃ©! ) and "oy vey" (Oy vey! )

Major Monogram: Good missions I'll give  
To Agents A through Z  
Carl, get away from that punch bowl  
I'm saving that for me  
Carl: Sorry, sir...

We wish you a Perry Christmas  
We wish you a Perry Christmas  
We wish you a Perry Christmas  
And a (Perry chitters) new year

Baljeet: I wish for a calculator-  
Slash-Hindi-English translator  
To find a common denominator  
In both of my tongues

Buford: Good wedgies I'll give  
To all of you nerds  
That's how I say "Merry Christmas"  
I ain't good with words

Dr. Doofenshmirtz: I wish you would let me rule you

In evil I'm going to school you  
I won't sugarcoat or fool you  
Your New Year's looks grim

I warn you, my new -inator  
Will force you to serve me later  
So why not just choose to cater  
To my every whim?

All: We wish your every endeavor  
Makes this the best Christmas ever  
And we're all so glad that we will never  
Mention figgy pudding...

Dr. Doofenshmirtz: Oh, great. Well now we've  
mentioned it.

Major Monogram: You know, no one would have  
noticed if you'd have just kept your mouth shut
