Phineas: How could we be naughty when thought we'd been

so nice?

Isabella: Could we have been blinded with some little hidden vice?

Baljeet: Did our visions of sugarplums not dance like they should?

Phineas: I'm rackin' my brain here , I really thought we were good

Phineas,Baljeet,and Isabella: I know you got that list, and I know you check it twice.

But would you check it again because it seems to me we

were all pretty nice.

Phineas: All except for Buford,'cause he's got that whole

"last minute reprieve" theory.

Buford: It's going to work. You watch.

Phineas,Baljeet,Isabella,Jeremy,and Candace: Where did we

go wrong? Please tell me. Where did we go wrong?

Where

did we go,

Phineas and Isabella:Won't somebody tell me

all: Where did we go wrong?
