I don't mean to tell you what you are you know,  
Your the one with style your the whole darn show,  
The other guys play their instruments fine,  
But next to you their looks are a crime.  
Well they say true beauty it comes from within,  
But your have to be comfortable in your on skin,  
So I ex foliate with this exotic cream,  
Just look at me I look like a dream!  
You're the one yes you're the star  
We need you back on bass guitar  
You're Fabulous (I'm Fabulous!)  
You're Fabulous (I'm fabulous!)  
You're the one we all can see it's all about you (its all  
about me)  
You're Fabulous (I'm Fabulous!)  
You're fabulous (I'm Fabulous!)  
Now no two people are like each other  
So don't be a look-a-like copying another  
Unless of course you're copying me!  
Because that gives you individuality!  
Nice do! So back to the matter of my words

So what do you say?

Are you back in the band?

Well maybe if I can find my old leather!

DUDES WERE GETTING THE BAND back together!

You're the one who sets the bar

Your hairdo king of fashions are

You're fabulous (I'm fabulous)

You're fabulous (ooh I'm fabulous)

You're the one we all can see it's all about you

(It's all about me!)

You're Fabulous (I'm Fabulous)

You're Fabulous (I'm Fabulous)
