(You're goin' down) You're goin' down when I get mom
to see
(Down to the ground) This ridiculous monstrosity
(You're goin' down) You'll never get away with this
again
(You're goin' down) You're G-O-I-N-G D-O-W-N

(You're goin' down) Spread the news from coast to
coast
(Down to the ground) You're goin' down, your operation
exposed
(You're goin' down) I could say more, but I don't wanna
boast
(You're goin' down) Get used to butter, cause you both
are toast!

If a certain condition arises
I'm the one to avert the crisis
You think you're livin' large,
but you forgot that I'm the one in charge...
Conditionally!

You're goin' down, down, down, down, down, down,
down
You're goin' down!
