WILD BOYS!  
WILD BOYS!  
WILD BOYS!  
WILD BOYS!

WILD BOYS!  
WILD BOYS!  
WILD BOYS!

The Wild Boys are callin  
On their way back from the fire  
In August moons surrender to a dust cloud on the rise  
Wild boys fallen far from glory  
Reckless and so hungered  
On the razors edge you trail  
Because there's murder (murder murder murder) by  
the roadside  
In a sore afraid new world  
They tried to break us, looks like they'll try again

Wild boys, never lose it  
Wild boys, never chose this way  
Wild boys, never close your eyes  
Wild boys, always... shine

You got sirens for a welcome  
There's bloodstain for your pain  
And your telephone been ringin  
While you're dancin in the rain  
Wild Boys wonder where is glory  
Where is all you angels  
Now the figureheads have fell  
And lovers war with arrows  
Over secrets they could tell  
They tried to tame us looks like they'll try again

Wild boys, never lose it  
Wild boys, never chose this way  
Wild boys, never close your eyes  
Wild boys, always... shine

WILD BOYS!

WILD BOYS!  
WILD BOYS!

Wild boys, never lose it  
Wild boys, never chose this way  
Wild boys, never close your eyes  
Wild boys, always...

Wild boys, never lose it  
Wild boys, never chose this way  
Wild boys, never close your eyes  
Wild boys, always... shine
